# OUR ROLE

Community Revival has established a trusted and well-respected relationship with external funders & local UK government which has enabled us to consolidate our experience of designing, delivering & assessing a wide range of training & education programmes.

## TYPES OF CONSULTANCY

### Community Revival Endorsement

Community Revival (CR) would monitor and quality assure the teaching of English language or Technical courses in your centre.

*NOTE: Endorsement includes a Quality Assurance visit by CR to your organisation (flights, hotel accommodation, etc). CR would inspect resources, equipment and policies/procedures as well as provide Staff training.*

### CR-Accredited Courses

*(Delivered by your organisation)*

CR would provide a Quality Framework to oversee the delivery of courses run by your teachers. Students would receive your certificate (branded in partnership with CR) on successful completion.

### CR-Accredited Courses

*(Delivered online by CR teachers)*

CR would deliver courses online through a Learning Portal to your students and a CR certificate would be issued on successful completion.

### CR Teacher Training Programme

CR would provide online Teacher Training courses to your teachers with a completion. Help and support would continue after the course ends to maintain and improve the quality of teaching.

### External Accreditation

CR will provide consultancy to your organisation to deliver externally-accredited courses from UK Exam Bodies to your students (e.g. City and Guilds, Pearson, NCFE, etc).

### Visits to the UK

If you think you would benefit from seeing first-hand how UK institutions and companies deliver their services, our links with schools, colleges and universities, as well as the business, manufacturing and technical sectors, enables CR to organise visits to enable you to share in the good practice and innovation of UK enterprises.
